Volunteer Fire District Annual Community PICNIC-BBQ

DATE: Sunday, September 22nd

TIME: Noon to 2 pm.

PLACE: The Hilt Church (inside and outside)

This is a lunch-barbeque event (lots of great food!). Beverages (non-alcoholic only) and food are complimentary to all local residents within our community and to our District friends from CalFire and other agencies.

This year, we will also have a Health Awareness table coordinated by our Chief Medical Officer, Karen Dwyer, RN, with free blood pressure checks, stroke information, and a short (15-20 min.) hands-only CPR class (held inside) taught directly from an American Heart Association video, for anyone interested.

FUNDRAISING T-SHIRTS will again be on sale at the picnic. (For more info & shirt images, see our Fundraising page at www.crfd.org.)

Come meet your local fire district volunteers, learn more about what we do, see some of the equipment that we use to protect your homes and families, hear about district developments, meet our district's Cal-Fire friends, and visit with your neighbors – *see you there!!*
